The Chairperson
National Human Rights Commission
Manav Adhikar Bhawan
Block –C, GPO Complex, INA
New Delhi- 110023

Respected Sir,

Here I want to draw your kind attention about helplessness of hundreds of people. These people are from erstwhile Bangladeshi enclave namely Chit Tilai. This particular enclave is situated under Tufanganj Block and Police Station. 18 families live in the erstwhile enclave and the total population is about a hundred people.

In the joint head count held in India and Bangladesh on 2011 these erstwhile enclave dwellers enlisted their names. Due to erosion of Kaljani river, they lost all their possessions. They became homeless. At that time due to their statelessness they were unable to take Governmental help. They were stranded outside their homes and scattered to different neighborhoods for shelter. In the joint head count held at 2015 only 11 persons were able to enlist their names while the rest could not. Even these 11 people have not received any identity cards, land documents or any rights attached to nationality after the implementation of the Land Boundary Agreement in 2015.

All of these people still carry “Persona non grata” status. They do not have their identity proofs, still they are not listed in any social security schemes of both state and central government. To phrase it differently, they are still stateless. A number of times they submitted written complaints explaining their struggles to the different levels of district administration but no one took that seriously.

Recently, on 21.01.2020 they submitted two written applications before Block Development Officer of Tufanganj Block and District Magistrate of Cooch Behar. But till date no actions have been taken by the administration.

Therefore, I seek your urgent intervention in the case by directing the concerned authorities to recognize their Indian citizenship and grant them all the rights of nationality that come with being a bona fide citizen of India.

Thank you.

Yours Sincerely

Dipyaman Adhikary

Assistant Secretary
