09.05.2020

To
The Chairman,
National Human Rights Commission,
Manav Adhikar Bhawan,
Block-C, GPO Complex, INA,
New Delhi- 110023

Respected Sir,

Here I want to draw your kind attention upon the overall marginalization of the erosion affected people of Debaipur, under Gram Panchayat SaralPur, Post Office- Debai Pur, Block- Bhagowan Gola-2, P.S- Ranitala Murshidabad Pin- 742101. The ongoing pandemic has swept a worldwide crisis and to contain the spread of the Covid-19 virus, a lockdown was initiated by the Central Government as a precautionary measure. This ongoing lockdown has heavily impacted the downtrodden population and detrimentally affected their economic status. The overall situations of these erosion affected people are getting worse just because of casual and unresponsive attitude of concerned authorities.

They are deprived from most of the social security schemes announced by Central and State Government both. The villagers are extremely downtrodden and are driven by poverty as their residential houses, cultivable land and cattle have been demolished due to the erosion of Padma River and therefore, solely depend on manual labour.

The Government issued standard operating procedure for implementation of MGNREGA during this crisis throughout the country. Keeping in view of the distressed situation, it is mentioned that the rural poor and labourers, migrated to cities for work have returned to their own villages and in order to provide handholding support in terms of livelihood security to these people as well as the targeted vulnerable sections such as landless and manual casual labour or deprived section as per the SECC 2011& household of SC families, ST families, PMAY-G beneficiaries, SHG's members, Women headed families and differently-able headed families, Mahatma Gandhi NREGA can be the best available options to provide wage employment and thereby creating sustainable individual and community assets for enhancing livelihood security directly linked to livelihood i.e., Agriculture, Horticulture, Sericulture, Fishery and livestock.

Instead of this standard operating procedure, these villagers did not get any work under MGNREGA project during this critical stagedespite having their respective job cards which is violating the directives laid down in writ petition (Civil No.196 OF 2001) People's Union for Civil Liberties vs. Union of India & Ors also violates Sustainable Development Goals. On 29 .4.2020 the villagers sent one complaint to District Magistrate , Murshidabad through Whatss App vide number 9434770000.

Sl no.	Name	Age	Father's/Husband's name	Job Card no.

10.	Sonarul shaikh	60	S/O Foimuddin Sheikh	12-005-006 -13096

On 21.03.2020 the Chief Minister of West Bengal announced that people getting subsidized rice and wheat free of cost (maximum of five kilos a month) but Mr.Enamul Saha and other villagers have alleged that the required amount of such ration is also not provided to them by the local rationing shops. . The amount of food grains which was ordered by State Government of West Bengal to provide every person of AAY, PHH and SPHH card holder are not maintained in this area's ration shop

Therefore, I request your urgent intervention in this case by fulfilling the demands of the villagers –

- BSF personnel should be posted at the zero point of the border.
- BSF should not be illegally restricted the life and livelihood of the villagers.
- BSF should follow the order of Ministry of Home Affairs, Government of India, Memorandum number 40-3/2020-DM-I (A) dated 15.04.2020.

- Poor villagers should be provided with 100 days work under MGNREGA project and if the concerned authority cannot provide them 100 days work, then provide the amount of money for those villagers.
- Required amount of rationing stuffs and food grains must be given to those villagers.
- The villagers should be provided with agricultural and cattle rearing support.

Thanking you.
Yours truly

Dipyaman Adhikary
Assistant Secretary
