Respected Sir,

I am writing to you regarding a case of brutal torture on a poor migrant labour from the Muslim community by three constables of the Border Security Force and one G branch officer attached with Arshikari Border Out Post, 'E' Company, 112 Battalion. The victim and his family reside in Padmabila village, Swarupnagar Block and police station in the district of North 24 Parganas. They beat him repeatedly with bamboo sticks, gravely injuring him on head, back and leg and continuous bleeding from the injured part of his body. He was admitted in the Sarapul Rural Hospital. The victim filed a written complaint to the Superintendent of Police, Basirhat Police District but till date, no FIR has been lodged against the perpetrators. The details of the incident are provided in the fact finding report attached below.

This incident is among a spate of other incidents of torture, physical assault, illegal detention and extrajudicial killings specifically on the Muslim minority community. The arbitrariness of the violence committed on the victims is evidence that the violence is motivated by an intention to discriminate against and target a particular section of society on the basis on religion.

The incident entails a clear violation of Article 14, 19 and 21 of the Constitution of India. The Police have violated the Supreme Court Guidelines in the Lalita Kumari Judgment which makes it mandatory for them to lodge a FIR in cases of cognizable offences. The incident also violates the Universal Declaration of Human Rights and Article 7 and 12(1) International Covenant on Civil and Political Rights that India is party to. The incident and subsequent impunity legitimize our long standing demand for immediate ratification of United Nations Convention against Torture and Other Cruel, Inhuman or Degrading Treatment and Punishment.

Therefore, I seek your urgent intervention in the case by fulfilling the following demands:

- An independent and non-partisan inquiry into the incident.
- Mr. Parimal Pal, 'G' branch officer and 3 other BSF constables who are accused of committing the crime should be immediately brought under trial and prosecuted.
- The local police station should be directed to lodge the FIR in this incident and start the investigation.
- The victim should be compensated for the grave injuries inflicted on him.
- The BSF should be stationed at the zero point and not inside villages.
- Security and safety of the victim and his family members must be ensured.

Thanking you.
Yours Sincerely

Kirity Roy

National Convener, PACTI
