

Activity report of District Murshidabad on February 2019

Murshidabad 15th February, 2019- Monsurpur, Akherigunj-- Household application on rural electrification was submitted before the District Engineer office under WBSEDCL on 19th September, 2018 from this village. On 24th January, 2019 a team came to select site for installation of solar plant. We got information that 60 venues are being selected in the char areas under Akherigunj GP. From Jahangir Ali, Sub Assistant Engineer, Office of Chief Engineer, Rural Electrification, villagers were informed that in the char areas (also Jolongi Chors) under Dindayal Upadhyay Gramin Jyoti Jojona solar plant is their first priority. From Bidyut Bhawan it was learnt that the project is 'Ground Mounted Grid Connected Solar PV Power Plant'. A meeting of the villagers first questioned the initiative of solar power plant but later welcomed the same. **18th February, 2019-** A meeting was held with Mr. Joydip Chakroborty, BDO, Shamsergunj Block and Mr. Toyeb Ali, joint BDO.

Mr. Delwar Hussain, Secretary, Aamra Simantobasi raised the issue of recent erosion at Kamalour mouza, Nimtita GP. BDO told us that he had sent a detailed report of the loss of approximate 4 bighas of land to irrigation department. He assured that necessary step will be taken shortly. A meeting at Durgamandir of Jogtai GP under Suti-2 Block was held. Activists briefed works on Human Rights (particularly torture) and erosion.
