

## Activity report of District N-24 pgs on March-2019

In this month “Amra Simantabasi” in North 24 Parganas organized two meetings at the villages of Panchpota and Pipli in this district. In both these meetings the discussed issues were whimsical restriction of Border Security Force personnel on livelihood of bordering populace, Torturous incident done by BSF personnel and constitutional rights of the bordering populace. A good number of participants were present at both the meetings. They also planned to run this organization successfully. At the end of the meetings they planned their future course of action to minimize violence at bordering areas by the BSF personnel.
