

As a continuation of our effort to support victims of torture, supported by UNVFVT, this month MASUM arranged medical camp at Islampur, Murshidabad, on 27 April, 2016. Total 75 victims attended this camp. Dr. Narayan Majumdar, the physician made diagnosis of them and prescribed accordingly. The patients were victims of torture and family members of deceased who were killed extra judicially by the people in uniform. The beneficiaries were from different places of the districts. Medicines were provided and pathological tests have been arranged by MASUM
