

After the news of two persons being shot to death during a protest rally at Tawang; Arunachal Pradesh came out, a national level fact finding team was constituted. The primary objective of the team was to visit the place, try to gather the first hand information, stand with ongoing protest by the indigenous people against the hydel projects and to unfurl the truth before the broader civil society. Mr. Sudip Chakroborty from MASUM joined the team with other eminent civil rights protagonists and journalists. The team journeyed through long and tiring to reach the place and interact with the locales. The team is now preparing the report and it will be published soon.
